Sports News Release

Rally to Open 2009/2010 PFL Season

Saturday, October 3 marks the opening day of the exciting and always entertaining CUC Primary Football League (PFL). This year, organisers have decided to begin the 2009/2010 season with an Opening Rally to be held at the historic T.E. McField Sports Centre (Annex Field) commencing at 9:00 a.m. Knowing that this season is a replenishing year for most of the participating schools in the PFL, organisers are keen for the players to get a little playing time under their boots before the regular season kicks-off on Saturday, October 10.

As in previous Rallies, the day's events will follow a knockout format with teams divided into four groups with the two top teams from each group advancing to the second round. The second round is a straight knockout competition with the winning teams advancing to the semi-finals and the two winners from the semi-finals playing in the finals.

Fans of the PFL will remember that the last Rally played ended the 2007/2008 season with St. Ignatius School emerging the victors in a hotly contested final against Prospect Primary School at the West Bay Town Hall Field. With 14 school's competing for the coveted title and the season's first silverware, each game, win or lose, will give the young superstars the confidence and determination to do their best; to entertain the crowd and do their school proud.

Will the likes of Truth For Youth, Bodden Town Primary, Cayman International School and George Town Primary - league champions from last year - continue where they left off, or is there a new champion in the making, awaiting their turn at glory?

The stage is set! Supporters of "the powerful game" and football lovers in general are in for a treat this coming weekend. Many will agree, the Island's best football is always played on Saturday mornings. A perfect way to spend your Saturday this weekend is to visit the Annex Field and experience the atmosphere of "the powerful game" that is the CUC Primary Football League - total enjoyment! Make sure you are there!
