

Heavy Duty Mechanic Apprentice III

Are you a dynamic, self-motivated individual with excellent communication skills? If so, come grow with us! CUC is an equal opportunity Company with over 190 employees who are committed to meeting the electrical needs of Grand Cayman and to providing quality customer service.

The successful candidate will be responsible for assisting the Facilities Maintenance Department with:

- ▶ performing all required maintenance tasks on production equipment including separators, compressors, cranes, gas turbines, fuel systems, compressed air systems, waste oil systems, fire suppression systems and service water systems;
- ▶ scheduled general maintenance, trouble-shooting, repairs and performing major overhauls on diesel generators and related auxiliary equipment;
- ▶ conducting scheduled maintenance as planned;
- ▶ carrying out unscheduled maintenance when required.

Applicants must possess a high school diploma with two years related experience in diesel generating units and related equipment maintenance and repairs.

Salary is from CI\$2,843 to CI\$4,265 per month.

CUC offers an attractive salary and benefits package. Caymanians and others legally resident on the Islands may apply in writing or by e-mail, attaching a recent photograph and résumé, not later than Friday, February 10, 2012 to: Manager Human Resources, Caribbean Utilities Company, Ltd., P.O. Box 38, Grand Cayman KY1-1101, e-mail: careers@cuc.ky. Applications through recruitment agencies will not be accepted.
