- Rules:**
- All schools start with 0 points in the Playoffs.
 - Games are 40 minutes (4 quarters of 10 minutes with a 2 minute water break between quarters) with a win worth 3 points, a draw worth 1 point and no points for a loss.
 - Top four schools with the most points advance to the Semi Finals (goal difference will be deciding factor to determine final standings if teams are tied on points. If goal difference is the same between schools, the "head-to-head" result will determine final standings)
 - In the Semi Finals, 1 plays 4 and 2 plays 3 (drawn randomly if schools are tied on points and goal difference).
 - Two Semi Final winners play in the Final and the losers play for Third Place.
 - If the two schools are level after full time in the Semi Finals, Third Place and Final, there will be 10 minutes of overtime (5 minutes each way) followed by penalties (best of 3 then sudden death) to decide a winner.
