Where a Participant has not made cash payment in the previous twenty-four months, CUC may terminate that Participant's participation in the Plan.

Upon suspension or termination of the Plan by CUC, participation by all Participants will terminate. Any cash payment received prior to termination of participation but not invested in Class A Shares will be returned to the Participant upon such termination.

Upon termination of participation, the Participant will receive a certificate for the whole Class A Shares held in the Participant's account together with a payment by cheque for any fraction of a Class A Ordinary Share in the account of such Participant, based on the average market price determined for the preceding Class A Ordinary Share dividend payment date.

RESPONSIBILITIES OF CUC AND CST TRUST

Neither CST nor CUC shall be liable under the Plan, except in the case of willful misconduct, for any act or for any omission to act including, without limitation, any claims of liability with respect to the price at which Class A Shares are purchased for the Participant's account.
